CONSUMER BEHAVIOR

FANDOM

- Sport consumers can be categorized by their level of fandom (i.e., the degree they are a fan or not).
- It's critical for managers to know whether someone is a fan of their team. Why?

> Not all consumers are equally passionate.
> Neither are they all resistant to change that threatens team values and practices.
> Some attend games on a regular basis, while others attend only on special occasions.
>
> Stewart et al. (2003)
