What is Economic Impact? Cont.

— SPORTING EVENTS HAVE BOTH DIRECT AND INDIRECT IMPACTS ON THE ECONOMY OF A HOST COMMUNITY.

Direct Impact

- The first round effect of visitor spending (e.g., local goods and services such as food, hotel, gas, retail purchases, concessions, and parking).

What is Economic Impact? Cont.

— SPORTING EVENTS HAVE BOTH DIRECT AND INDIRECT IMPACTS ON THE ECONOMY OF A HOST COMMUNITY.

Indirect Impact

- Ripple effect of recirculating the visitors spending through the community (e.g., additional staff hired, supplies for retailers).

Why have economic impact studies been done?

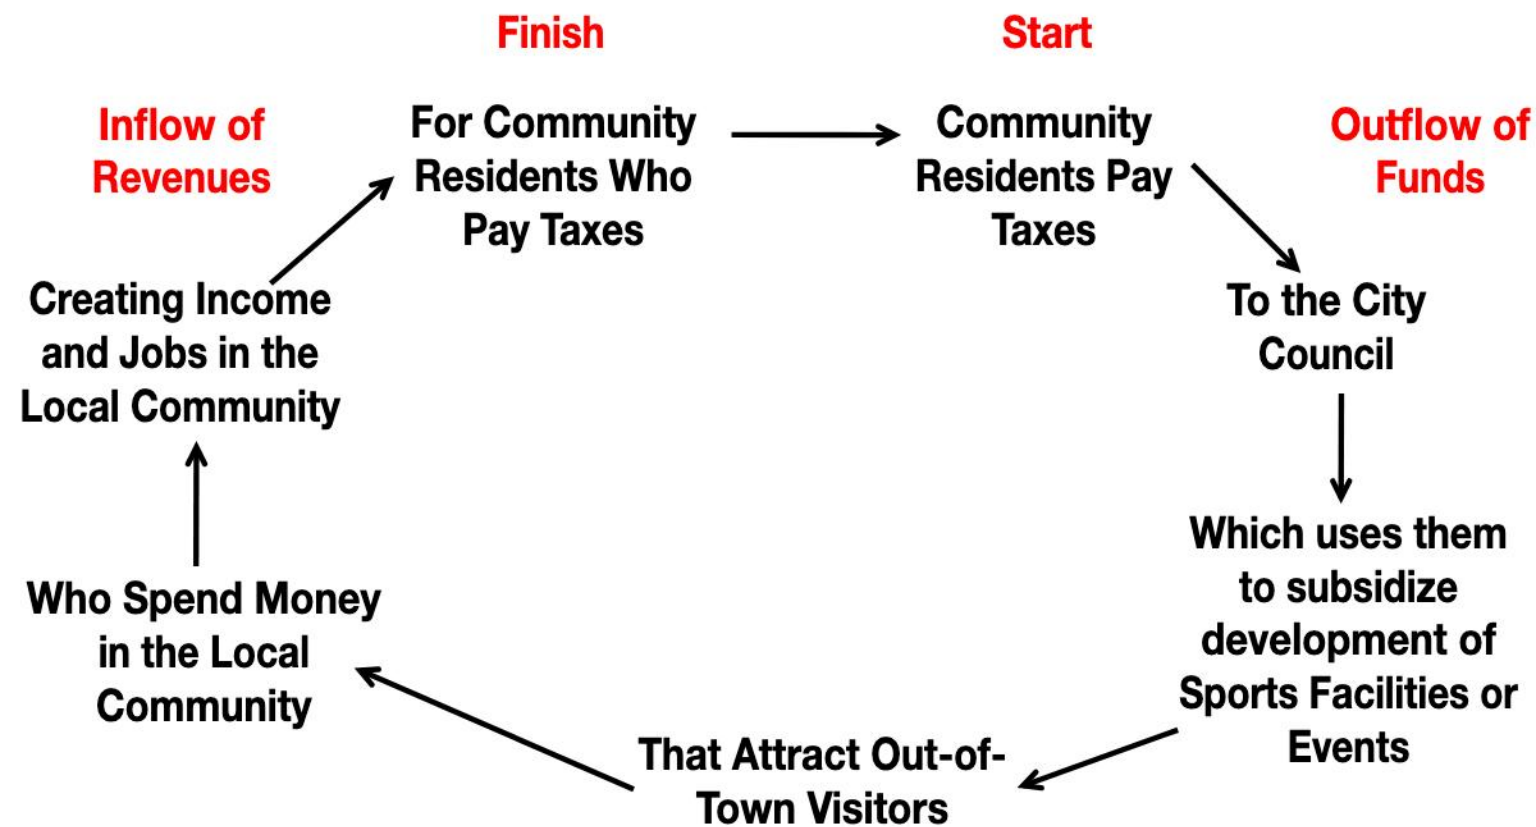

- To investigate the cost and benefits of an economic endeavor or financial investment to examine if it is worthwhile
- To use the results of an economic impact study to influence legislators and lobby for more legislative support
- To increase public awareness of the importance of the sport industry

What Is a Premise of the Three Reasons?

**To justify the
Use of residents' taxes = Public subsidies**

The Rationale for Economic Impact Analysis

(Howard & Crompton, 2003, p. 105)

How to Measure Economic Impact?

See the handout

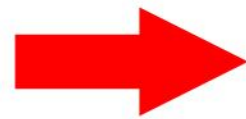

Method

□ Ex-ante analysis

- (1) The number of visitors an event is expected to draw +
- (2) The number of days each visitor is expected to stay +
- (3) The amount each visitor will spend each day

Direct Effect

Crowding out effect

Leakages

Method cont.

❑ **Ex-post analysis**

- (1) Per capita income**
- (2) Employment**
- (3) Sales tax collection**

mega-sporting events**

What are common findings?

— Little/minimal effect

Who would like to see heavy numbers on the results of EI?

- Athletic Departments
- Leagues
- Team Owners
- Event Organizers
- Sports Boosters

Local governments

Why are local and state governments willing to provide subsidies?

- Residents of many metropolitan areas believe pro sports franchises validate the worth of the community as a major league city.
- Constructing a facility help to maintain political support for the expenditure from local labor unions, contractors, and property owners.
